

## Selection process for The Lancashire County Team

Selection for the Lancashire County Senior Team is based on scores achieved at open tournaments ONLY. There are no stated 'selection shoots' that archers must attend.

There are (usually) three matches per year, details will be published on the [LAA Home Page](#):

- 3 Counties - Lancashire v Cheshire v Warwickshire (May)
- Archery GB – National Team Event (June/July)
- 5-Counties Match – Lancashire v Yorkshire v Cheshire v Isle of Man v Cumbria v DNAA (Early October)

To leave enough time to organise things we have introduced cut-off dates for the selection scores

These are as follows:

- 3 Counties – Selection will be based on the previous seasons scores
- Archery GB Team Event - End of May
- 5 Counties - End of August

Due to the lack of Lancashire archers attending outdoor open tournaments it is becoming more difficult to provide a County Team. The selectors need scores from:

- Lady Recurve
- Lady Compound
- Lady Longbow
- Gent Recurve
- Gent Compound
- Gent Longbow

\*Whilst there are currently no LAA Barebow teams we welcome qualifying Barebow scores for future consideration.

### Score Criteria:

These should be outdoor scores, less than a year old and a minimum of 6 dozen arrows  
For team consideration at least one score should be a 12 dozen round (e.g. York, Hereford, WA1440 or double 720). Where one must also be at the longest distance for your gender (90m / 100y for gents or 70m / 80y for ladies). These should only be from open tournaments and not club shoots or practice

This information will be used for team selection for county matches AND also help us see 'up and coming' archers who we can invite to squad training sessions.

If your scores are around BOWMAN or above we would like to see them

Please submit your name & contact details, bow type, club, score and details of where and when it was shot to
